***“The best way not to feel hopeless is to get up and do something. Don’t wait for the good things to happen to you. If you go out and make some good things happen, you will fill the world with hope, you will fill yourself with hope.”***

*The nearing holiday season is often a time when we think of others in need ~ a time when many of us reflect on the past year and give thanks for our many blessings. It is with great hope that we are proceeding forward as we continue to work toward overcoming the challenges of providing end of life care with fewer volunteer caregivers and the need for additional paid staff. It is most assuredly a time when the support of our community is more important than ever as we work toward reopening our doors to those in the greatest need.*

*This year Advent House celebrates thirty years of serving our community and the greater Rochester area. Over these past years, we have cared for hundreds of terminally ill people and their loved ones. Each has left a heartfelt impression on our lives. Their hope is to spend their final days being cared for in a loving home-like environment where loved ones can gather and finances are no longer a burden. Their sense of relief and gratitude is beyond measure.*

*We realize that you are asked to support many worthy organizations, but we are hopeful that you consider including Advent House as one that you care greatly about. The financial donations we receive are crucial for maintaining this Home. Your financial support means that our no charge, no reimbursement mission will continue as we care for those in need. To ensure the safety of our caregivers, Residents and loved ones, it will be necessary to more innovative and creative as we move forward. To do so will incur additional expenses. Be assured your gift will be deeply appreciated.*

*Please take a moment to write name of your loved one on the enclosed heart ornament and return with your gift. We thank you for your consideration of Advent House, our “House with a Heart”, and look forward to your response. We cannot do this work without each and every one of you. Please help this blessed ministry to the dying and their families continue to flourish.*

*We are so incredibly grateful for all of the good things that happen here at Advent house because of your generosity of self and resources. You make the world a better place filling worried, sad hearts with love and hope. With your help, we will continue this ministry of care.*

*With gratitude,*

*Glenda Hastings
