November 2020

The nearing holiday season is often a time when we think of others in need ~ a time when many of us reflect on the past year and give thanks for our many blessings. This past year is unlike anything we have experienced ever before – in our lives and also here at Advent House. It is a time that we reflect on the challenges of providing end of life care with volunteer caregivers during the covid pandemic. It is a time where many have come together to advise and counsel on how to continue the heartfelt and compassionate life-affirming care given by Advent House volunteers. And it is most assuredly a time where the support of our community is more important than ever as we work toward our new “normal” in the coming year.

This loving care of the dying is done by our wonderful volunteers, who give countless hours ~days, nights, weekends and holidays ~to be with our residents and provide for their physical as well as emotional and spiritual needs. Those who have been touched by their loving care always comment on the kindness and compassion of the volunteers and marvel at the gift of our Advent House angels. We believe in angels because we have seen them here at Advent House every day and long for the day when we can open our doors once again.

While the love and devotion of our caregivers sustains the heart and soul of the Advent House, it is the financial donations we receive that enable us to maintain this beautiful Home. As you celebrate the holidays with family and friends, we hope you will take a moment to think about the many who have been touched by the Advent House. Every gift is welcome and appreciated. Your financial support enables us to ensure that our “no-cost” mission continues as we help those in need. Advent House anticipates additional staffing needs and supplies. We will need to be more innovative and creative in our approach to handling the needs of our residents. We can do those things with your support and donations. Please send your donations to: Advent House, 1010 Moseley Road, Fairport, NY 14450.

Thank you for showing your love of community and for Advent House. You touch the lives and hearts of many ~ easing their final journey by allowing them to be in a place of peace, love and caring when we are able to re-open in 2021. We are so very grateful.

May you be blessed with hope, love and joy during this holiday season.

Peace,
Glenda Hastings, Executive Director
