

Have you ever heard of Advent House?

We're right here in the Fairport community!

Advent House is a 2 bed, hospice-care home that provides for the physical, emotional and spiritual needs of the dying.

We provide a peaceful, caring environment where a resident and their loved ones may spend their last days together in a loving, homelike setting.

But we can't do it alone!

There is no charge for those who come here. We receive no insurance reimbursement and rely strictly on fundraising, grants, memorials, donations and volunteers!

Consider being a Hands-On Caregiver at Advent House!

- You don't need experience ~ just a caring heart 
- We will train you!
- Time commitment is one 4 hour shift weekly or every other week 😊
- You will receive so much more than you give!
